How many...are you wearing?	¿Cuántos...llevas hoy?	(Cwan-tohs...yey-vahs oiee)

Comments

Above you will see a pronunciation guide for the main words we will learn this month. There will always be other words the students learn in class; this merely covers the bulk of our monthly content.

This month we will learn to describe the clothing we wear and discuss what to wear in different weather situations. All classes will be reviewing greetings, numbers, colors, food, parts of the body, classroom objects, animals, and general weather terms. We will also be reviewing the calendar, days of the week, seasons, and months of the year.

For our cultural lesson this month, we will continue to explore the continent of South America! Each week we will focus on a different South American country. We will learn to find these countries on a map and discuss the landmarks which make each country unique.

If you have any questions, please contact Ginger Bradley or Laura Witte by email: gbradley@palmettoprep.com/lwitte@palmettoprep.com or call 675-1002. Thank you! Gracias!
